"Promoting healthy lifestyles for seniors through fitness, sports, and an active involvement in life" Fall/Winter2009

The Tennessee Senior Olympics is gearing up for another great year! We hope that this newsletter finds you well and healthy and enjoying the holidays. Here is information that you might find helpful from recent board decisions:

New District Rule

As you make plans for the 2010 districts, please note the following rule change recently approved by the board of directors:

Teams and individuals may participate in as many districts as desired. Registration and payment required for each district.

This is being tested on a trial basis for 2010. The previous rule stipulated that athletes were only allowed to participate in one district. Out-of-district composition for team sports remains the same.

Qualifying for State Finals

Reminder:

Any athlete who PARTICIPATES at a district may advance to state finals in the exact sport/event in which he/she participated.

2010-2013 State Finals

The TN Senior Olympics Board of Directors is excited to announce that the state finals will remain in Williamson County through 2013. We are very grateful to Williamson County Parks and Recreation, the Convention and Visitors Bureau, Battle Ground Academy and government officials who made this possible. We are excited about this incredible partnership and the future of our event!

As with many other nonprofits, the economy has created quite a challenge for us. We would appreciate your consideration in making a tax deductible contribution to our organization.

In return, a beautiful 2010 TN Senior Olympics color calendar featuring our very own athletes will be mailed to you. The calendar was professionally produced by our presenting sponsor, BlueCross BlueShield of Tennessee. We are extremely grateful for our partnership with BlueCross.
